10" HD TFT-LCD, CAPACITIVE TOUCH

18.5" HD TFT-LCD, CAPACITIVE TOUCH

ULTIMATE YOUR WORKOUT EXPERIENCE

18.5" LED, 18.5 TFT-LCD, 10" LED and 10" TFT-LCD
these 4 consoles are equipped with GEM module
"Dual protocol system"

then you are good to choose the application that fit you the best
Join DK city and create your own special workout training

(optional)

(optional)

HI-TECH TOUCH SCREEN

Paired with the new technologies, more accurate multi-touch interfaces to provide not only the high efficiency but also more entertainment in your workout routine.

MIRROR CAST

Mirror cast is a wonderful technology that allows you to easily project your smartphone or tablet screen on the screen of console or fitness equipment.

VIRTUAL ACTIVE

Virtual Active is an expressive video experience which transports you to iconic trails, roads, cities, and landscapes, turning indoor exercise into an outdoor adventure to enhance your cardio workout.

PHYSICAL TEST

Built-in U.S. Army Physical Fitness Test programs are designed to test the muscular strength, endurance, and cardiovascular respiratory fitness as the soldiers' training in the United States Army.

LIFESTYLE WEBVIEW

Built-in WebView with big icons to easily control the touch screen with more entertainment in your workout routine.

REAL TIME WORKOUT

Deliver incredibly detailed performance feedback in real-time to stimulate your performance in each training that you can review to make better decisions for suitable training to reach your goal.

INTERACTIVE WORKOUT APP

Become your own personal trainer to provide outstanding running experience with more entertainment with your smart devices which make an excellent workout companion to help you get healthy and stay fit.

FRENZY BIKE BUILD ATHLETICISM BURN CALORIES

Unlimited resistance provided by air to reach your maximum heart rate, velocity, and oxygen uptake!

REAL WORKOUT REAL RESULTS

Experience the health and wellness benefits with F-22!

AIR RESISTANCE AND AERODYNAMICS

Air resistance from the fan in a workout intensity effectively increases calorie expenditure, benefits both aerobic and anaerobic systems development, and also contributes to a greater after-burn effect.

HIGH MOMENTUM FAN WHEEL SYSTEM

Deliver a fluid and an effective cardiovascular workout to increase your fitness level.

UNLIMITED RESISTANCE PROVIDED BY AIR

Power your legs and arms faster or slower to determine your resistance. Ramp up resistance automatically through pushing, pulling and pedaling with greater speed and force.

DUAL-ACTION HANDLEBARS AND ADJUSTABLE SEAT CUSHION

Be engaged in a total-body workout. Adjustable seat provides a quick and easy way to set your most comfortable position!

BE ELEGANT AND OUTSTANDING

Combining far-reaching innovations in technology and supreme refinement in design.

BOOST YOUR ENDURANCE AND CALORIE BURN

Achieve a full-body workout with one machine which is completely low-impact.

THE MOST ADVANCED HI-TECH TOUCH SCREEN

Paired with the new technologies, more accurate multi-touch interfaces.

PERFECT STRIDE LENGTH

Perfect stride length between 480mm. Stride for a smooth feeling, total-body workout or focus more on your lower body.

OVERSIZED PEDALS WITH NARROW SPACING

Narrow spacing design to create relatively high strength and slide prevention.

ERGO COMFORT HANDLEBARS

The motions you make while using E-22R elliptical are smooth and controlled.

ALPHA RUNNER BE THE CHAMPION

Alpha Runner paired with the new technologies, more accurate multi-touch interfaces, and powerful AC motor drive system to provide not only the high efficiency but also more entertainment in your workout routine.

EVERY TIME A GOOD TIME

The self-generating brake system offers low-to-high pedal resistance with minimal vibration throughout the training.

ERGONOMIC SEAT AND BACKREST

Exercising in a laid-back reclining position with ergonomic seat and backrest make the rider's weight distributed comfortably over a larger area.

WIDE AND EASY-ADJUST PEDAL DESIGN

28 levels width pedal adjustment for any size of foot to protect ankles during exercising.

PATENTED SLIDING SEAT MECHANISM

Enable to provide the maximum convenience and stability, easy to adjust for the most comfortable seat position.

WIDE WALKTHROUGH DESIGN

The best recumbent bike provides invigorating, low-impact exercise and offers intense workouts in comfortable designs.

STAND UP AND MAKE IT COUNT

Patented one-hand adjustable seat provides a quick and easy way to set your most comfortable position!

THE RELENTLESS PURSUIT OF PERFECTION!

The self-generating brake system offers low-to-high pedal resistance with minimal vibration throughout the training.

WIDE AND EASY-ADJUST PEDAL DESIGN

28 levels width pedal adjustment for any size of foot to protect ankles during exercising.

MULTI-GRIP HANDLEBARS

Offer three different training positions to better suit your needs or preferences.

ERGONOMIC AND EASY-ADJUST SEAT DEPTH

Provide optimal comfort, easy to adjust to fit the best workout position with only one hand.

SELF-POWERED GENERATING SYSTEM

High-performance system achieves an outstanding output, quietness and low vibration while training.

GO WORKOUT! BE UNIQUE!

The smooth motion of the VE-22 adeptly reproduces the feel of running or jogging without the impact on the knees and joints.

STEP AS THE WAY YOU LIKE

Taking your exercise routine to a new level!
Allow you to change stride length freely
and choose the low-impact, total-body
workout that fits your cardio needs.

OVERSIZED PEDALS AND LONG STRIDE

Perfect stride length between 250-1000mm adjustability.
The elliptical motion closely mimics a natural jogging
Astride for a smooth feeling, total-body workout.

PROTECTION FRAME

The protection frame is designed to protect people from
being hit while walking over from the front.

USB POWER CHARGING

Allow users to charge the USB devices while exercising
to be able to enjoy the workout without any concern of
run out of electricity of their smart devices.

CENTRAL HANDLEBARS WITH QUICK BUTTONS

Allow user to adjust the resistance level easily
while exercising.

DUAL TRAINER ENHANCE YOUR POWER

With resistance workouts
